

The SUMC VIM Team traveled to Biloxi, MS this spring to continue Sydenstricker's ministry to the people of the Gulf Coast whose homes were damaged or lost to Hurricane Katrina. This trip was our sixth to that region. The Missions Committee plans to send two teams per year until the volunteer support is no longer needed. The next trip planned for this fall. All skill levels are needed and welcome. If you are interested in going, please contact Dave DuVal (703-569-0294, [janeanddave@juno.com](mailto:janeanddave@juno.com).)
