

**Vacation Bible School Mission Team:** In July 2010, on 24-hours notice from Fairfax's Food for Others warehouse, our 5<sup>th</sup> and 6<sup>th</sup> grade Vacation Bible School students collected over 1600 pounds of food, and, with the help of some adults, delivered it, then helped restock the warehouse. They provided enough food to ensure another youth group was also able to provide hands-on warehouse restocking help the following week. Watch for announcements in the Steeple and weekly bulletins about annual VBS events and volunteer opportunities. Champions: Dave & Jane DuVal
